

**The Applied Underwriters Invitational Presents
The 28th Annual George C. Cutler Memorial Golf Tournament**

Monday, October 23, 2023
Myopia Hunt Club
South Hamilton, MA

The Cutler Memorial Golf Tournament is played in memory of George Cutler, a founding member of Center House and one of its most ardent supporters. George served on the Center House Board of Directors for more than thirty years and was passionate about the need to provide quality care for individuals with mental illness and/or developmental disabilities. He was a strong believer in an individual's ability to motivate themselves and worked to help people maximize their potential. When you participate in the George C. Cutler Memorial Golf Tournament, you'll help to keep George's passion for Center House alive.

This year, the Cutler Golf Tournament is part of the nationwide **Applied Underwriters Invitational** and the winning foursome will be invited to play in the *Applied Underwriters Invitational National Championship* at Big Cedar Lodge.

All proceeds from the tournament benefit Bay Cove Human Services' Center House programs—helping people facing the challenges associated with mental illness and/or developmental disabilities. Bay Cove's Center House programs help the people we serve to integrate into their communities, avoid hospitalization, and focus on their abilities—not their disabilities.
